Greetings from Nell Benn, Executive Director

NCAA Final Four Community Service Partnership Scores With Agape and Volunteers!

The Food and Shoe Distribution event with the NCAA, and national nonprofits Samaritan's Feet, and Feed the Hungry; produced the largest event in Agape history! With the help of 100 volunteers, Agape and partners distributed 1,000 boxes of food and almost 1,000 shoes to the community.

The event produced important, intimate connections between the volunteers and recipients. The recipients were very excited and very grateful. The volunteers were deeply touched and finished the day exhausted and fulfilled. If you are one of the volunteers who put a new pair of shoes on the feet of a young elementary school student or handed food boxes out to hungry families, you know what I mean.

Corporate and private sector partnerships are critical to Agape's success and our continued 100% high school graduation rate. Agape provides turnkey community service opportunities and meaningful experiences for volunteer teams. [Contact Development Director, Tony Conway](#) and choose the level of impact your volunteer time or volunteer team will make on our community. Join us, because your community needs you.

Go Raven Go!

Rising ninth grader Raven Whitehead says "GOGIRLGO! saved my life!"

Raven has been attending GOGIRLGO! for the past 6 summers. As an eight year old enrolling at Agape for the first time, Raven was already overweight and pre-diabetic. Over the years, Raven brought her healthy lifestyle home to her mother. The family has changed the way they prepare their meals and now focus on healthier choices.

Roller skating was the first form of exercise Raven grew to love and skating opened the door to many more sports. Next year Raven will be trying out for the high school volleyball team, determined to make the cut. When one day Raven ages out of GOGIRLGO! she is committed to coming back to help the other girls, to give back for all Agape has given her.
